

Field Trips

Please read carefully. Trips will operate rain or shine. Remember to bring lunch, drinks, proper clothing, footwear, sunscreen & insect repellent. For all trips, if you have questions, contact Dave Milsom at milsomdave@hotmail.com or 705-874-8531. OFO encourages car pooling on all field trips. Participants are reminded that it is the responsibility of every participant on an OFO field trip to comply with the OFO Birding Code of Ethics, and to minimize the risk of injury and/or damages that may result from unsafe or inappropriate behaviour (especially driving, or roadside birding where passing traffic presents a hazard).

Young Birders

OFO Young Birders field trips and workshops are for birders age 9 -19. The only prerequisites are enthusiasm and curiosity about birds. Parents or guardians are encouraged to attend except where otherwise indicated.

Trips will operate rain or shine. Remember to bring lunch, drinks, proper clothing, footwear, sunscreen & insect repellent as appropriate. Carpooling is encouraged for driving trips.

If you have questions, contact Lynne Freeman at lynnef.to@gmail.com or 416-671-0325 (email is better).

Trips may be added or changed so please check the field trips on the OFO web site prior to the trip.

2017-09-23 Hamilton, Burlington and Vicinity

Len Manning

Meet 8:00 a.m. in Hutch's Restaurant parking lot at Van Wagners Beach on Lake Ontario in Hamilton. From Niagara on QEW, exit at Centennial Parkway, go left onto North Service Road and follow to Van Wagners Beach Road to the restaurant. From Toronto on QEW, exit at Woodward Avenue, turn right at lights, then right at next lights, go under bridge, turn right onto Van Wagners Beach Road to the restaurant. Jaegers, gulls, shorebirds, fall migrants.

2017-09-30 Young Birders. Raptor Migration and Point Pelee in the Fall

Jeremy Hatt

Meet at 8:00 am at the Holiday Beach Hawk Tower, Amherstburg (near Windsor). Observe migrating raptors and passerines. Entrance fee at Holiday Beach. Bring drinks and lunch.

2017-10-01 Young Birders. Raptor Migration and Point Pelee in the Fall

Jeremy Hatt, Sarah Rupert

Meet at 7:30 at the Point Pelee National Park Visitors Centre. Entrance fee is not required. Enjoy what many birders consider the best time for birding at Point Pelee National Park. Bring drinks and lunch.

2017-10-07 North Shore Lake superior between Marathon and Thunder Bay (2-day trip)

Nick Escott

Exact location(s) to be determined. Possible pre- and post- trips Oct 6 and Oct 9. If interested, please contact leader Nick Escott ngescott@shaw.ca well in advance so he knows how many people may be coming from southern Ontario. There may be a limit on how many birders we can accommodate, since overnight accommodations will be required. This trip is in memory of Alan Wormington, who loved the north shore of Superior, and organized the only OFO field trip that has ever been offered in Thunder Bay District, In October 1988.

2017-10-08 Westmeath Provincial Park and Lac Dore

Mark Gawn

Situated on the Ottawa River near Pembroke, Westmeath Park is a noted migration stopover for Nelson's Sparrow and occasionally Le Conte's Sparrow. Lac Dore, a fish-filled lake, regularly attracts many small gulls, grebes, and loons along with the occasional rarity. Meet 8:00 a.m. in Cobden at the Civitan Park on the north side of highway 17.

Field Trips

2017-10-14 Barrie

Jim Coey

Meet at the City of Barrie Dock Road Municipal Parking lot at 204 Dock Road, south-east corner of Dock Road and Plunkett Ct. We'll look for migrants in the parks and waterfowl on the lake. Lake Simcoe has had some surprising birds over the years. Who knows what will turn up? Easy walking, bring snack and water.

2017-10-14 Young Birders. Raptor Migration at Hawk Cliff; A joint event with the Thames Talbot Land Trust

Rebecca Launchbury (TTLT)

Meet at 8:30 a.m. at the parking area on Hawk Cliff Rd. Take hwy 24 (Dexter Line) east from Port Stanley then south on Hawk Cliff Rd, or follow Fairview Ave south from St. Thomas. Tour Hawk Cliff woods and learn about the restoration projects in this magnificent forest. Enjoy fall raptor migration. Dress for the weather and bring lunch, drinks and snacks.

2017-10-15 Durham Waterfront

Geoff Carpentier

Meet 8 am at Lynde Shores Conservation Area parking lot on Victoria Street, Whitby. Exit Highway 401 at Brock Street (Exit 410). Turn left (south) onto Brock Street. Turn right (west) onto Victoria. Go about 2.5 km to Lynde Shores on south side. Visits to Cranberry Marsh Hawk watch, Oshawa Second Marsh, Corner Marsh and Frenchman's Bay, depending on conditions and water levels. Late fall migrants, raptors, shorebirds and ducks.

2017-10-15 Amherst Island Spring

Mike Burrell

Meet at 7:50 am at carpool lot south of 401 at exit 593 (Camden East Road). We'll check Amherst Island (ferry fee) and some other Kingston area hotspots for late migrants including sparrows, waterfowl, gulls and other waterbirds. Trip ends mid-afternoon. Bring cash for the ferry, a lunch although we will pass a Tim Horton's on the way to Wolfe Island Ferry, and be prepared for some moderate walking.

2017-10-21 Ottawa River

Tony Beck

Birding from 1 p.m. to dusk along the Ottawa River. Meet 1 p.m. at Andrew Haydon Park, east parking lot (Ottawa Beach). Possible ducks, geese, shorebirds, gulls. Near sunset, 1000's of birds fly into Lac Des Chenes to roost. Rarities possible such as Lesser Black-backed Gull, Snow Geese, Red Phalarope, Greater White-fronted Geese, Cackling Geese.
